

TERMS AND CONDITIONS - Graz Open Riichi Tournament 2019

These terms and conditions are to inform you about which data we are using in what way if you register for the Graz Open Riichi Tournament 2019.

If you want to participate in the tournament, you have to accept them when registering.

1. Person responsible and contact information

Name and address:

Michael Gürtl-Dusleag

Steyrergasse 37/11

8010 Graz

Email: ryanpin@jesterbox.org

2. Which data we use and why

When you fill out the registration form, an email with all the information you provide will be automatically sent to tournament organizer Michael Gürtl-Dusleag. It is required to provide your full name,

your email address and the country you are going to represent. If you want your results to count towards the EMA (European Mahjong Association) ranking, you will also have to provide your EMA number.

The data is used only for the organization and process of the tournament and relevant ranking lists, and will be deleted once the tournament is no longer relevant for ranking lists.

A list of the participants showing the first name, first letter of the last name, country and EMA number will be published on the registration site. This will be deleted by no later than two weeks after the tournament is finished.

Your email address will only be used to contact you for tasks regarding the tournament (e.g. lunch options).

During the tournament, we will take photos of the participants which will be published at the website of our club Ryanpin (www.ryanpin.org) on www.riichimahjong.at and on the respective Facebook Groups. If you don't want your pictures to be published, you can simply write an email to ryanpin@jesterbox.org and we'll not publish pictures with you on them.

3. Who we share your data with

During the tournament, we will project intermediate results including your name and score onto the wall. Please note that we cannot take responsibility for what happens with pictures taken of those projections or yourself by other participants.

Since the tournament is an EMA rated one, the results including your full name, country and EMA number will be sent to the EMA ranking manager (ranking@mahjong-europe.org), who will publish the results on their website. If you don't want your name to show up there, we can anonymize your result but there is no way it can count towards the ranking then. Please write an email to ryanpin@jesterbox.org if you want to make use of that option.

For informative reasons, we will also send the full results and pictures of the top three players to Nicole Haasbroek of www.mahjongnews.com. If you ask for your results to be anonymized, your name will not be shown in the data sent to Mahjongnews.

As mentioned before, pictures taken during the tournament will be published on Facebook and the above mentioned websites. Names or any other personal information will not be published directly along with the pictures on those channels.
